

The Great Circle USA 2010 is bringing Howie and Debbie Campbell Northwest!

The Great Circle USA is what we call the yearly music tour designed to present the truth of Jesus Christ in communities all over North America. Rather than inviting the unsaved into the "Church" building for outreach, we take the message into the neighborhoods.

Looking ahead, I am reminded again of the way the body of Christ works together to accomplish God's purposes. We are very much like an army. The battle is the Lord's, we are His. Some have the ministry of prayer, some have the ministry of covering the costs, others sacrifice and go. We all accomplish the same task: seeking and saving that which is lost.

What exactly is our ministry?

1. We have the task of uniting the body of Christ for outreach into the community.
2. We search out secular places to play original "Jesus music" such as coffee houses, open mics, parks and community events.
3. God has gifted us with "cross-cultural" abilities. Saved out of the 'New Age' we are effective among them, 10 years in the Asian community, now interacting with blacks and Native Americans. Rocking out in white settings. Now doesn't that sound like Jesus' command to "go into all the world"?
4. Using the universal language of music to gain a hearing for the Good News. Often allowing the words in the songs to open doors that otherwise would be closed.
5. Using music to bridge the gap between generations. It's amazing how we are able to interact with young and old alike as if it were the most natural thing in the world.
6. Involving local musicians in evangelistic outreach.

For they were strangers and pilgrims on the earth. For they that say such things declare plainly that they seek a country. And truly, if they had been mindful of that country from whence they came out, they might have had opportunity to have returned. But now they desire a better country that is, a heavenly:

Wherefore God is not ashamed to be called their God: for he hath prepared for them a city. *Hebrews 11: 13a-16*

Upcoming June Events!

- A series of outdoor events in the Pasco/Richland, WA area. We will play a farmers market, three concerts in local parks, one right on the Columbia River.

- A week of ministry in Elkhart, IN and Elmo, MI ~ More outdoor events!

Navajo and Hopi Reservations

God provided impromptu opportunities to share Jesus through the Hopi and Navaho Reservations and allowed us to give out CDs, the Gospel of John and gather contact information to cultivate outreach.

Thank you for sending us with your prayers and much needed finances.

You are our lifeline as we travel this land.

In Austin we played a large coffee house right on Austin Lake and we were astounded by the response that we received as we sang about Jesus at Ole's Coffee and Wine Bar's "open mic" night.

You have helped us bring the name of Jesus to unsuspecting ears.

O.M. was alive as we played in an empty lot with a pick up band. With a razor wire topped fence as a background, we sang and shared Jesus to the members of the community. Brother Reggie and his wife Mary cooked the best barbeque ever and worked the crowd.

Orange Mound in Memphis, TN

This event was very successful with over 100 folks moving through, enjoying food, music, salvation bracelets and love!

You helped bring joy to a crime ridden community!

Miracle Baptist in Memphis, TN

Miracle Baptist in Memphis, TN

There were several commitments to Jesus during the worship time at Miracle Baptist in the inner city of Memphis, TN. This was the only "in Church" thing we have done so far this trip. We made a strong connection with the folks there. These are rough hoods to grow up in, but Jesus is moving to save in a powerful way.

You have made a difference in Memphis!

Prayer Requests

- That the weather will be good and attendance high for all outdoor events
- Tangible fruit as a result of events both planned and spontaneous
- For God to use the new CD to entice the unsaved to surrender to the Good News of Jesus Christ
- We need to have the van worked on – service, tire balance, alignment
- Funds for fuel and bills
- For protection, health and stamina as we travel
