

The Good News of Christmas

Seizing the Season!

You've heard the expression "seize" the moment? World circumstance are developing in such a prophetic way right now we are witnessing people from every conceivable station in life questioning what in the world is going on? Are you "...ready to give an answer to anyone who asks you a reason of the hope that is in you..."? (I Peter 3:15).

Here is a great way for you to evangelize this year:

- Buy 10 *The Good News of Christmas* CDs to give to those hard to reach relatives or coworkers along with a box of Christmas cookies.
- Include *The Good News of Christmas* CD in each Christmas food basket your church hands out.
- Send a copy of *The Good News of Christmas* CD home with each child in your Awana, Sunday School, and youth program.
- Make *The Good News of Christmas* CD available to your local chapter of Boy or Girl Scouts to send home with their scouts.
- Provide a case of *The Good News of Christmas* CDs to your missionaries (people in other countries love American Music!)
- Use the CD and songbook to present your own Christmas celebration or Advent devotional.

Order **10 or more** copies of **The Good News of Christmas** for **\$5.00** each.

Perhaps you would like to present *The Good News of Christmas* with your church and family.

This year we are offering the **CD and Songbook set for \$15**. The songbook contains all the scripture readings, songs and chords.
